WebAction Group, LLC  
Hudson, NH 03051

Dear Steve,

Just wanted to say Thank You to you and your staff for the recent changes to our web site. Your knowledge and professionalism in your field are evident in the results we receive from our site. We are easily located in search engines and our customers and industry colleagues constantly complement us. The site has become an integral part of our marketing as well as a sales tool. We would be hard pressed to grow the business without it. Thanks again.

Regards,

Jerry
